ATK RESTAURANT

**IF I WASN'T A CHEF** I would be a flight attendant for Thai Airways and a backup singer or animation movie singer.

**FOOD OR DRINK ADDICTION** I drink Chardonnay or pinot grigio after work almost every night just to relax before bed, and I love pho noodles. When I need it, I always go to Tank Noodle.

**IPOD PLAYLIST** Karmin's "Brokenhearted" and One Direction's "Gotta Be You."

**SECRET SPOT** Fogo de Chao is the best lunch buffet in town. When I want great meat, I go there.

**PERFECT NIGHT OUT** Monday night after work and the perfect place would be theWit hotel rooftop [ROOF] for a couple of raspberry vodka and sodas with their barbecue chicken wings appetizer.
